MTU Crawford
College of Art & Design
MTU Crawford College of Art and Design

Welcome to our Creative Community.

MTU Crawford College of Art and Design is a vibrant multi-campus college, which has been successfully providing education in the arts for more than 100 years. The Crawford is a diverse and creative community exploring art, design, technology, culture, visual arts education and media. In addition to the careers in the creative and cultural industries, our graduates apply the skills acquired in their art, design and media education to a wide variety of careers in all sectors, where their ability to think both laterally and critically, their powers of analysis, their exceptional team working and communication skills, and their problem-solving attitudes are all highly valued by employers.

Our three Departments are based in Bishopstown Campus, Sharman Crawford Street, 46 Grand Parade, and the Envision Centre on Sather Lane.

The Departments are:

• Fine Art and Contemporary Applied Art
• Media Communications
• Arts in Health & Education

Between them, they offer courses related to arts practice, fine art and contemporary applied art (ceramics, glass and textiles), art in process, graphic design, digital media design & production, art education, art therapy, arts in engagement, photography, e-learning, textiles, TV production, journalism and PR. They are delivered at various levels from part time to undergraduate programmes, certificate, degree, masters and PhD. Explore our Areas of Study to find the right course for you.

http://crawford.mtu.ie/areas-of-study/ Whether you’re studying for a degree in Contemporary Applied Arts, Creative Digital Media, Fine Art, Photography with New Media or Visual Communications, your time with us will be full of exciting discovery, learning and growth. You’re embarking on an adventure that will change the way you see the world and lead you in unexpected and unpredictable directions. It’s our job to support you in this journey and we’ll do everything we can to ensure your success. You’ll find that what really carries you forward is your own commitment to your work.

Further Studies
Suitably qualified graduates are eligible to apply for
• Professional Master of Education (Art and Design)
• MA in Art Therapy
• MA in Art & Process
• MA in Journalism and Digital Content Creation
• MA in Public Relations with New Media
• MA in E-learning Design and Development
• MA by Research
• PhD
For details, see crawford.mtu.ie

Career Opportunities
This degree leads to a wide variety of career opportunities across a range of art industries, eg:

• Working as an artist, creating unique artefacts for exhibition and commission
• Art professional within museums and galleries
• Education
• Running workshops, such as exhibiting artist/designer/maker
• Art professional e.g. curator/art administrator
• Educator – requires further postgraduate study.

First Year at a Glance
6 SUBJECTS

Foundation Level Mathematics

Overview
Contemporary Applied Art (Ceramics, Glass & Textiles) encourages fresh ideas, inventive use of materials and techniques, and offers students the opportunity to critically engage with making.

This is an innovative interdisciplinary programme with an emphasis in three main material areas, ceramics, glass, and textiles, either as a chosen specialism, or in combination. This course offers a creative and playful approach to materials and idea development with a strong emphasis on practical skills, conceptual development and self-directed exploration.

The delivery of this course is modular and centred on ‘thinking through making’ including skills development workshops, lectures, group seminars, tutorials, peer and independent learning. In their final year students will be expected to develop and execute an original body of work to a high standard and undertake a written thesis which explores the intellectual aspects and implications of the work. In the final year also, students undertake a professional practice module, which is delivered by an international curator to teach students how to present their work to the professional world.

Students are encouraged to pursue opportunities within the programme for international exchange and placement. The Crawford has extensive facilities: excellent specialised workshops, digital labs, individual studio space, and a specialised visual arts library, which with the experienced artist and educator lecturing staff makes the College a vibrant place to study and grow.

Does the College provide all the materials for coursework?
We have stores in the College providing papers, canvas, paint, clay, ink, etc. where students can purchase materials.

Creative Digital Media (Honours)
Meáin Dhigiteacha Chhrúthaitheacha (Onóraigh)

Location: MTU Ballyheaton Campus, Cork
Application: CAO
CAO Code: MT 824
NFQ Level: 8
Award Title: Bachelor of Arts (Honours) in Creative Digital Media
Duration: 4 Years (8 Semesters)
Places: 45

Overview
Creative digital media combines the creativity of art and design with the skills and knowledge of computer technologies and programming to create interactive digital media products. Creative digital media comes in many different formats. It can be almost anything you can hear or see, like text, image, music, sound, video, film, animation, and more. By combining media content and interactivity, those interested in creative digital media can take on and work with a variety of media to get their content to communicate across a variety of platforms and in some cases perform interactive experiences.

You will be introduced to the most up-to-date design and media industry software and hardware. The course will also support the development of contemporary critical awareness to assist you in your academic studies. You will be given the opportunity to develop your presentation skills and learn to create innovative creative digital media projects. You will produce projects in digital media design, video production, music technology, computer programming, digital marketing, media business, animation, virtual reality, user experience (UX), user interface design (UI), digital culture and much more!

The work placement (minimum of 13 weeks in year 3) is supported by a member of academic staff in MTU together with a workplace mentor. The aim of the work placement is to give you the student to structured employment in a relevant work sector and to develop the student’s understanding of the organisation, its procedures and technology. Students may also choose to study abroad on an Erasmus exchange instead of the work placement.

Further Studies
Suitably qualified graduates are eligible to apply for:
- MA in Public Relations with New Media
- MA in Journalism and Digital Content
- Creation
- MA in E-Learning Design and Development
- MA by Research
- PDH

For details, see crawford.mtu.ie

Question Time
What is the difference between Visual Communications MT 823 and Creative Digital Media MT 824?
Visual Communications is a graphic design course that focuses on creative design for the printed and electronic media.
Creative Digital Media investigates a broader spectrum and focuses on areas such as digital media design, digital media technology, video production, music technology, computer programming, digital marketing, media business, animation, virtual reality, user experience (UX), user interface design (UI) and digital culture.

Is the Creative Digital Media course diverse?
Yes, it is a diverse course, allowing you to study in a variety of disciplines for example, music technology, electronics, digital technology, computer programming, marketing and business and much more. You will work in cutting edge areas such as virtual and augmented reality and tangible computing.

Contact Information

E: brian.doyle@mtu.ie

Career Opportunities
Areas of specialist employment include:
- E-learning
- Game and app development
- 3D design
- Animation
- Interactive programming
- Audio technology
- Video and Film Producer
- User Experience Design
- Virtual Reality

Many graduates also continue to the higher diploma and/or master level to progress their career.

Fine Art (Honours)
Mhínedeal (Onóraigh)

Location: MTU Crawford College of Art & Design, Sharnham Crawford Street, Cork
Application: CAO (restricted)
CAO Code: MT 821
NFQ Level: 8
Award Title: Bachelor of Arts (Honours) in Fine Art
Duration: 4 Years (8 Semesters)
Places: 45

Overview
This studio-based programme prepares students for the professional world of contemporary art; learning how to make, experiment, research and critique art. Students will explore and engage with: painting, drawing, sculpture, print, photography, performance, sound, video, and digital media in varied contexts. Students are encouraged to experiment with a wide range of media in order to develop their individual art practice.

The course has an emphasis on individual creative development. Students are introduced to the skills and philosophies of the practicing artist. The course supports the development of studio practice enabling students to position their artwork in terms of art history and contemporary critical thought.

Students can choose from a wide range of media including: painting, sculpture, photography, film, video, digital media, sound, print, performance, and/or drawing, and will be trained in the processes and facilities available in the College’s excellently equipped workshops.

Fine Art offers very varied career paths. The course aims to instill individualism and independence preparing students for active careers in the visual arts or for further study to higher degree level.

Further Studies
Suitably qualified graduates are eligible to apply for:
- Professional Master of Education (Art and Design)
- MA in Art Therapy
- MA in Art & Process
- MA in Journalism and Digital Content
- MA in Public Relations with New Media
- MA in E-Learning Design and Development
- MA by Research
- PDH

Question Time
What are the application deadlines?
The deadline for applicants applying through the CAO is 1st February (5pm), after which they will receive an invitation to submit their portfolio for assessment in March.

Is there a late application facility?
It is very important to note that the CAO and MTU CDAC will accept applications from mature applicants up to the 1st May (5pm).

Is there a late application deadline?
Yes, the Crawford has links with many European colleges and facilitate students to exchange on Erasmus programmes annually.

Is there specialism within this course e.g. Fine Art Print?
This programme offers students the opportunity to work across a range of media or specialise in their chosen media: painting, drawing, photography, sculpture, film and performance.

Is there any written exam?
There are no formal (sit-down) exams.

Does the College provide all the materials for coursework?
We have stores in the College providing paper, canvas, paint, clay, inks etc., where students can purchase materials.

Career Opportunities
Graduates develop professional careers in areas such as: artist practice; arts education; arts administration & management; curation; community & collaborative art practices; and art criticism.

Many graduates also continue to the higher diploma and/or master level to progress their career.

First Year at a Glance
- Introduction to Art History: History of Western Art; Modernity and visual culture; including seminars and visits to local galleries and arts institutions
- Introduction to Art Processes: learning to use and express yourself in a variety of media including; print, photography, drawing and digital media
- Virtual Visual Elements: making of 3D and sculptural pieces; making & constructing objects and the relationship these objects have to the space they exist within
- Drawing: developing a personal understanding of visual language through objective/non-objective drawing
- Fine Art Studio: the initiation and application of visual research strategies towards the making and presentation of a personal body of work
- IT for Artists: development of transferable media skills
## Photography with New Media (Honours)

**Giannhrafadóireacht leis na Meáin Nua (Onórracha)**

### Overview

The BA (Hons) Photography with New Media captures a unique balance of the practice and theory of photography, video, and digital media. You will learn the technical, professional and business skills required to set up, run successful projects and work in the media industries.

The course is run in its own building uniquely situated near the river Lee in Cork City, overlooking Sober Lane. It is well equipped with its own dedicated large studio spaces, specialist equipment store and up to date hardware and software.

The course has a key emphasis on ethics & professional practice, critical reflection and creative research practices. Students will develop their own unique style and interests throughout the 4 years. In the final year, there is a capstone module, which provides the opportunity to further develop the themes and directions that are evident and emerging in the student’s practice. Industry, community and links with the arts in the city provide students with many collaborative & cultural opportunities.

In year 3 of the programme, students may also choose to study abroad on an Erasmus exchange or undertake work placement for a year. Over the 4 years, students will have the opportunity to start up your own business. After graduating you have the opportunity to start your own business. Graduates can also go on to further studies to master degree level and PhD.

### Further Studies

Suitably qualified graduates are eligible to apply for:
- **Professional Master of Education (Art and Design)**
- **MA in Art & Process**
- **MA in Journalism and Digital Content Creation**
- **MA in Public Relations with New Media**
- **MA in E-learning Design and Development**
- **MA by Research**
- **PhD**

For details, see crawford.mtu.ie

### Question Time

- **Do I need a portfolio for this course?**
  It is recommended that you and practice taking photographs and video before starting but there is no requirement to submit a portfolio of work to apply for the course.

- **Is there specific camera equipment that I will need for the course?**
  All equipment is available to borrow on campus on a weekly basis. Many students find having a Digital SLR camera is very helpful in completing course work outside of class time.

- **Where is the programme based?**
  The programme is based at the Envision Centre, part of the Crawford College of Art & Design at Sober Lane, adjacent to Sullivan’s Quay, Cork.

## Visual Communications (Honours)

**Cumarsáid Fise (Onórracha)**

### Overview

Visual Communication is the art of problem-solving and communication through the use of type, space, and image. It presents the idea that a graphic message has the power to inform, educate, or persuade a person or audience.

Visual Communications, also known as Graphic Design, encourages you to think creatively and produce new design ideas and concepts. From pitching a design brief to a client, to producing graphics, a new brand, layout for interface or illustration for a book, you will go on a journey to understand who you are as a designer.

You will be introduced to the most up-to-date design and media industry software and hardware. The course will also support the development of critical awareness to assist you in your academic studies. You will be given the opportunity to develop your presentation skills and learn to create innovative approaches to solve design problems.

You will produce artwork for print, interface design, motion graphics, illustration, photography, typography, packaging, branding, advertising campaigns and much more.

### Further Studies

Suitably qualified graduates are eligible to apply for:
- **Professional Master of Education (Art and Design)**
- **MA in Journalism and Digital Content Creation**
- **MA in Public Relations with New Media**
- **MA in E-learning Design and Development**
- **MA by Research**
- **PhD**
